The entire content of the proceedings - both the oral discussions and the written contributions - are published in the European Competition Law Annual series. This is the fourteenth in the series, reproducing the debate which in 2009 examined the evaluation of evidence and its judicial review in competition cases.

European Competition Law Annual 2009: The Evaluation of ...

United Kingdom competition law is affected by both British and European elements. The Competition Act 1998 and the Enterprise Act 2002 are the most important statutes for cases with a purely national dimension. However, if the effect of a business' conduct would reach across borders, the European Commission has competence to deal with the problems, and exclusively EU law would apply.
