Grow Your Marriage by Leaps and Boundaries is a great place to start. While there are subtle Christian references, this is a book for anyone who is looking to strengthen their marriage. I received a copy for review and my opinions are my own.

Amazon.com: Customer reviews: Grow Your Marriage By Leaps ...
Grow Your Marriage by Leaps and Boundaries not only helps couples develop healthier personal boundaries, but better couple boundaries as well. One of my favorite things about this book is the excellent sample dialogs, which can help couples see and hear what healthy communication about boundaries is all about.

Ask for support. Your spouse is not a mind reader. Let your spouse know how you want to be supported. Risk being vulnerable. Be willing to let your spouse know how you feel rather than pretend or avoid your feelings. Make time for each other. Scheduling time together, on a weekly basis, will alleviate stress in your marriage.
