### Islamic Globalization: Pilgrimage, Capitalism, Democracy ...

"Globalization means that Islam has less and less to do with a given territory. The historical Muslim space of the Middle East is now reshaped by nationalisms — and too often authoritarian states appear to offer a better defense than democracy against Western encroachments."

### Globalized Islam - The Globalist

There exist a number of perspectives on the relationship of Islam and democracy among Islamic political theorists, the general Muslim public, and Western authors. Some modern Islamic thinkers, whose ideas were particularly popular in the 1970s and 1980s, rejected the notion of democracy as a foreign idea incompatible with Islam.
