Model Numbers on Murray riding lawn mowers are found on the back of the mower or under the seat. Model numbers on Murray push mowers and walk behind mowers are normally on the center of the deck between the brackets that mount the lower handle. If your manual is still not found after verifying the model number, please see our Operator's Manual ...

Support | Manuals | Murray
Murray mowers will eventually require maintenance and new parts to continue operating. To order new parts, you must have some identifying information about the mower such as the date code, which will separate the same model mowers that were produced over several years. The value of the mower is also indicative of when it was produced.
