Porsche 911 Carrera 993 Factory

The Porsche 993 is the internal designation for the Porsche 911 model manufactured and sold between January 1994 and early 1998, replacing the 964. Its discontinuation marked the end of air-cooled 911 models. The 993 was much improved over, and quite different from its predecessor. According to Porsche, every part of the car was designed from the ground up, including the engine and only 20% of its parts were carried over from the previous generation. Porsche refers to the 993 as "a significant a
