Power, Prestige, and Bilingualism: International ...

Taking into consideration what has been said above, it can be seen that this form of bilingualism is highly 'visible', in the sense that it provides access to prestigious international languages for those upwardly mobile individuals and their families who need or who wish to be bilingual or multilingual.

Power Prestige And Bilingualism International Perspectives ...

Cameroon, host to around 280 local languages, two European official languages (English and French) and Pidgin English, has been struggling since the 1960s to achieve official bilingualism for national unity and integration. This policy implies that each citizen should learn and use both official languages. The greatest means to implement this language policy has been formal education.
