After graduation, she plans to pursue a Ph.D. in electrical engineering and perform industry-level research and development in space-related fields. ... Cenla storm prep, recovery efforts, resources.

Reach for the Stars: Two LSU honors students awarded ...

It was the Eighties. Unlike the usual use of that term, I remember this day clearly and I'm not particularly embarrassed by the events, though I was likely wearing too much Bugle Boy clothing for my own good and for entirely the wrong reason. Bugle boy was founded by Dr. William Mow, a Ph.D. in electrical engineering.
