Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Teaching Problem And Solution 2nd
The memory motions we used for problem and solution were very simple. We did a sad face and a thumbs down for problem and a big smile and a thumbs up for solution. This week was a 4 day week (yay!), so we read a read aloud together everyday, did a quick problem and solution match, and then charted the problem and solution. Here are the books we ...

Problems and Solutions of Teaching English as a Second Language English holds a place of status in our country, even after more than six decades since Britishers left India. No indigenous language however has come up to replace English, either as a medium of communication or as an official language in India under the influence of nationalistic feeling and emotional hostility English began to reassert its position.

Problems and Solutions of Teaching English as a Second ...
A problem is an issue that needs to be solved and the solution is how the problem is solved. For example, if I locked my keys in the car that would be a problem because I need to drive to work. One solution to that problem is to call a locksmith and have my car unlocked. As readers we need to pay close attention to problems and solutions in ...
